

An aerial night photograph of Trondheim, Norway. The central focus is the Trondheim Spektrum arena, a large building with a curved wooden facade and a dark roof, illuminated from within. It is surrounded by lush green trees. In the background, the city skyline is visible, including a prominent church spire and various residential buildings. The city is situated along a waterfront, with a harbor area filled with sailboats to the left. In the distance, across the water, a small island with a lighthouse is visible. The sky is a deep twilight blue.
